## SALCO 2089 – Rosso di Toscana IGT

Only for the sake of making a great wine. From our most mature vineyard (the "Salco and the Lake", 5,5ha.), at the heart of the Salcheto's estate in Montepulciano, since 1999 we produce a vintage cru, the Salco. With "Salco 2089" concept, we want to sight an even greater quality, maybe perfect, from the fusion of different vintages.

This batch of 6270 pieces, bottled on 23/07/2012 consists for 58% of the 2008 vintage and for 42% of the 2009 one. Two thousandths that the winemaker Michele Manelli found incredible in quite a different way: strong and linear the 2008, deep and romantic the 2009. Hence the search for the perfect blend, with the support of an historical adventure companion such as Paolo Vagaggini and all Salcheto technical team, to reach the perfect tannic texture and feel these souls merge into something superlative.
