## TEMPO CHIANTI D.O.C.G 2018

Tempo is a musical wine journey illustrated by film director and passionate drummer, Michel Gondry.

This special edition of Salcheto's Chianti is dressed with the imaginary sounds of six of the academy awarded film director Michel Gondry's favorite drummers. As a passionate musician himself, he wanted to feature the images that, from early jazz to contemporary garage-rock, impressed upon his spirit as a drummer. These drawings express the timeless and ever unique vibration of music, just like a great vineyard's wines do vintage after vintage and showcased in each bottle. That's the essence of Tempo wines.

The 2018 vintage showed out to be quiet "classical", having been relatively fresh and rainy both in spring than summer; its wines turned out to be pretty balanced and elegant.
