

SALCHETO

TOSCANA

VECCHIE VITI DEL SALCO Nobile di Montepulciano D.O.C.G. 2017

Made from the oldest vines of the Salco vineyard, the most mature and important of our estate. A field of 2ha, with vines of 29-31 years of age, entirely cultivated with a clone of Sangiovese Prugnolo Gentile selected at the winery that at each harvest easily reaches a slight overripe. After 2 years of wood it ages up to 2 years in bottle before being put on the market. This wine, son of the historical experience made over the Salco vineyard, is also dedicated to the Alliance Vinum project, the union of six great Vino Nobile producers, aimed at the growth of individuals and of the whole territory.

The 2017 was more than ever an hot and dry year and its wines are full-bodied but soft. The alcoholic gradations are sustained but without lack of balance and drinkability also thanks to Salcheto's pedoclimatic, capable of providing freshness to the wines with its clay soils and the strong temperature ranges.

5 Grapes Bibenda

Wine Enthusiast: 95 points

Another stellar performance from this sustainable estate, this 100% Sangiovese made from organically farmed grapes is smooth and delicious. Opening with aromas of mature black-skinned fruit, violet and dark spice, the velvety, medium-bodied expands into juicy Morello cherry, ripe plum and licorice before closing on a tobacco note. Taut, fine-grained tannins provide elegant support. Drink through 2027.
