## TEMPO NOBILE di Montepulciano D.O.C.G. 2019

Tempo is a musical wine journey illustrated by performer drummer and passionate movie director Michel Gondry

This special edition of Salcheto's Nobile is dressed with the imaginary sounds of six of the academy awarded film director Michel Gondry's favorite drummers. As a passionate musician himself, he wanted to feature the images that, from early jazz to contemporary garage-rock, impressed upon his spirit as a drummer. These drawings express the timeless and ever unique vibration of music, just like a great vineyard's wines do vintage after vintage and showcased in each bottle. That's the essence of Tempo wines.

The 2019 vintage is a really interesting one thanks to an ideal climate: a harsh winter and a warm summer but with some rain, even in the delicate stage of final maturation, although never exceeding. Finally a really good millesime, bringing together freshness and elegance with a full and intense fruit.
