

SALCHETO

OBVIUS ROSATO Rosato di Toscana IGT 2020

A blend of the three estates Salcheto, Poggio Piglia and Il Greppo, mostly Sangiovese interpreted through fermentation and maturation in steel and unfiltered, for an "all fruit" experience made even more attractive by the fact of using only grapes (no added sulfites, selected yeasts, tannins or whatever else imaginable).

Innovative thus so simple to understand, this wine is willing to explore new fields of taste, but in a modern cultural environment, where precision of scents, redox and volatile stability and the overall reliability of the wine over time are essential elements. The 2020 vintage was simply as complicated as its time: late frosts, humid spring, summer with peaks of extreme heat and hail, with a rainy season finale. But stubbornness and experience have brought us wines that are nevertheless generous and balanced
