TEMPO CHIANTI D.O.C.G 2023

Tempo is a musical wine journey illustrated by performer drummer and passionate movie director Michel Gondry.

This special edition of Salcheto's Chianti is dressed with the imaginary sounds of six of the academy awarded film director Michel Gondry's favorite drummers. As a passionate musician himself, he wanted to feature the images that, from early jazz to contemporary garage-rock, impressed upon his spirit as a drummer. These drawings express the timeless and ever unique vibration of music, just like a great vineyard's wines do vintage after vintage and showcased in each bottle. That's the essence of Tempo wines. In 2023, very few wines were produced, due to the extreme spring rain and the dry and hot late summer. We only made Chianti and vintage Nobile, also because the harvest lent itself well to fresh and relatively easy-drinking wines for each category.
